

Applied Parts & Accessories Warranty

This Limited Warranty covers only defects in material or workmanship. Therefore, it does not cover any other claim, service, defect, condition, or damage, including: installation, set-up, or instructions or recommendations on use; accidents, tampering, improper product selection, misuse, neglect, or abnormal use; use of parts, accessories or fluids that are incompatible or adversely affect operation, performance, or durability; unauthorized service, repair or alteration; excessive moisture or humidity; normal wear and tear; cleaning or any condition caused by any dirt or foreign substance on or in the product; or damages resulting from shipping. Installation or use of the product or any portion thereof in a manner that does not comply with the Operating Instructions voids the warranty.

Any alteration or modification that changes the product's effectiveness or intended use voids the warranty. ZAMAR will, at its discretion replace within 30 days of purchase any product that is found to have a defect in material or workmanship under normal use. This is the immediate purchaser's sole remedy.

The product must be returned at the immediate purchaser's expense to an authorized ZAMAR Service Center for evaluation. ZAMAR will pay for the expense of returning the product deemed to be defective and warrants replacement to the immediate purchaser. The immediate purchaser is responsible for and will be assessed a fee for test and calibration if no defects are found with the product.
